Subjects for consideration.	*Resolutions.*
I. The procedure to be adopted in the case of applications received from the owners of property, who are willing to part with their property, in the areas of the City not immediately proposed to be dealt with by the Trust Board— (i) when such property is intended to be acquired under the proposals made by the Mysore City Improvement Committee; (ii) when it is not so proposed to be acquired. In this connection Mr. K. Subba Rao's application for a "building license" on a site proposed to be acquired, to be disposed of.	I. Resolved that a reference may be made to the Chairman, Bombay Trust, for information as to how the question was treated in that City.
II. Reference from the Government No. 2967—L. F. 69-03, dated 12th February 1904, about certain sites intended to be acquired and granted to Rev., Mr. Sawday, for the construction of a "Female Dispensary" at the Idga extension. Deputy Commissioner's No. 1487, dated 1st February 1904, regarding permission for building on Revenue Survey Nos. 172 and 173, purchased by Rev. Mr. Sawday, which are intended to be acquired by the Board at the Idga extension.	II. That the Board see no objection to the site to the right of the continuation of the Sayajee Rao road being handed over to Rev. Mr. Sawday, on payment by him of the cost of acquisition of the ground not already in the hands of the Board. As regards the site to the left of the road, the Board will be prepared to allot a certain portion for the purposes of the dispensary on Rev. Mr. Sawday satisfying them that it is absolutely required for those purposes. The Board intend to retain a 60-feet road between the two sites. The Chairman be authorized to arrange with Rev. Mr. Sawday for the acquisition of the Survey Nos. 172 and 173 purchased by him and grant to him, at proportionate rates including the cost of construction of roads, etc., as many bungalow sites in those numbers, as are actually required by him, for his immediate purposes.

IV. The President may be informed in reply to his communication that the house concerned is amongst those marked by the Improvement Committee for acquisition when the improvement of the Fort is taken up. The Trust is not in a position to say when the Fort will be dealt with by it, in the meantime the Municipality must deal with such cases on their merits and in the ordinary course of business under the Regulation.
V. Resolution No. 4 of the Board, dated 27th January 1904, about drafting bye-laws.	V. The Chairman may be requested to draft the bye-laws and place them before the Board for consideration.
